Performance highlights for the Quarter

The Mission coordinated the participation of Uganda businessmen/women, tour operators and traders at the Iran Agro-Food Expo from 16th -19th june in which business connections and Memoranda of understanding and Cooperation frameworks were developed and business links established. The Mission coordinated a visit for Uganda business delegation to Arak Industrial City in Merkazi Province from 20th -21st june 2023 where they established business contact and met with officials of Arak Chamber of Commerce.

Coordinated the initiation of a MoU between Arak Chamber of Commerce and Private sector Foundation/Uganda National Chamber of Commerce.

The Mission established contact with Godakhtar, one of the largest manufacturers of valves for oil and gas pipeline for possible cooperation with Uganda especially the construction of the East African Crude Oil Pipeline (EACOP). The company has also expressed interest in importing Uganda coffee.

The mission met and invited Sevensky company to invest in oil and gas as well as gold buying from Uganda.

Variances and Challenges

Budget cuts on travel abroad meant the embassy could not implement planned activities in the countries of accreditation outside Iran
