Quarter 4

## Performance highlights for the Quarter

Releases were 121.722 bn and expenditure amounted to 158.249 bn in Q4 of the FY 2024/25 (including the balance from Q3) resulting into 100% overall performance.

The release and expenditure was in accordance with the levels of care i.e. Health Center II Shs 2.806 bn, Health Center III Shs 5.139 bn, Health Center IV Shs 3.863 bn, General Hospitals 4.893 bn, Regional Referral Hospitals Shs 4.904 bn, National Referral Hospitals Shs 3.906 bn, Specialized units Shs 7.388 bn and Donated items and nutritional commodities Shs 1.699 bn, Laboratory items Shs. 33.294 bn, 5.08 bn and 11.638 bn for Administrative support and Corporate services respectively inclusive of HIV mainstreaming activities and climate change mitigation initiatives worth 0.222 billion and 0.489 billion respectively.

Shs. 8.494 billion was spent on Reproductive health items, family planning and MAMA KITS, to all women during child birth to the entire country including the hard to reach and hard to stay places like Kaboong, Abim, Ntoroko, Zombo and the islands of Kalangala and Namayingo.

Shs.52.919 billion was spent on ARVs that were equitably distributed to all government centers spread across the entire country ranging from health centers IIs, IIIs, and IVs up to the National Referral Hospitals. These were accessible to all categories of the population, including girls, boys, persons with disabilities, the poor, orphans, prisoners and minorities like the Batwa and Bamba in Bwindi and Ntoroko.

Anti-malarial medicines and Anti-TB items worth 1.653 billion were procured and equitably delivered to all public health facilities spread across the entire country including the hard to reach, hard to stay places and the rural residents.

Shs.4.585 billion was spent on vaccines and immunization supplies meant for children below the 5 years against the published list of killer diseases, 10 years for prevention of cervical cancer, women of child bearing ages for prevention against transmission.

## Variances and Challenges

Inadequate support to facilitate warehousing and distribution of donated supplies.  
Following the suspension of support for commodities considered ‘non-life saving’ like reproductive health supplies, the Corporation is stuck with supplies already received in the Country and those en-route with no funding to facilitate warehousing and distribution to health facilities.  
Additionally, the U.S Government announced that its halting all future financial support to GAVI, the vaccines Alliance. Consequently, GAVI shall not be able to support the Corporation in its warehousing and distribution efforts aimed at ensuring these life-saving vaccines reach health facilities.

Long outstanding receivables from the Ministry of Health and Government of Uganda on account of service fees for handling donations from Partners with no MoUs and Covid-19 vaccines. The current amount outstanding is Ugx 82 billion.

Lack of last mile accountability for Essential Medicines and Health Supplies (EMHSs) delivered to the health facilities spread across the Country.

Non-adjustment of the Wage MTEF to align with the Corporation’s approved structure directly impacted on the staffing levels and processes that ensure timely delivery of EMHSs to health facilities.

Access challenges to some of the Islands like Kalangala, Buvuma and Namayingo and other hard to reach areas like Kisoro and Buvuma islands especially during the rainy seasons which causes delays in delivery of the essential medicines and health supplies.

i) Gender and Equity

|                              |                                                                                                                                                                                                                                                  |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Objective:                   | To promote equality and respect diversity and inclusion through enhancing equitable access to quality services for all, irrespective of age, gender, ethnic minorities in rural, urban communities and the hard to reach and hard to stay areas. |
| Issue of Concern:            | Inadequate drive towards promotion of Equity, Diversity & Inclusion and discrimination in service delivery to the vulnerable groups like children, women, youth, elderly and disabled persons.                                                   |
| Planned Interventions:       | 1. Establishment of special facilities for PWDs<br>2. Recruitment of Female Drivers<br>3. Operationalization of the Creche at NMS Kajjansi<br>4. Provision of emergency sanitary items to female staff and routine cleaning of sanitary bins     |
| Budget Allocation (Billion): | 0.050                                                                                                                                                                                                                                            |
| Performance Indicators:      | 1. Number of female Drivers recruited<br>2. A fully operational Creche in place<br>3. Facilities for PWDs in place<br>4. Value of Sanitary bins, pads provided to female staff and amount spent on purchase and cleaning of sanitary items       |
| Actual Expenditure By End Q4 | 0.05                                                                                                                                                                                                                                             |
| Performance as of End of Q4  | 1. Recruited 7 female drivers 2. Provided facilities for PWDs, parking ramps, washrooms, lifts 3. Availled Sanitary bins, bins to female staff 4. Fully operationalized gym facilities and other staff enrichment programs                       |
| Reasons for Variations       | No Variation                                                                                                                                                                                                                                     |

ii) HIV/AIDS

|                              |                                                                                                                                                                                                                                                                          |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Objective:                   | To contribute to the reduction of HIV/AIDS Prevalence rate in the country                                                                                                                                                                                                |
| Issue of Concern:            | High HIV/AIDS national prevalence rate                                                                                                                                                                                                                                   |
| Planned Interventions:       | 1. Conduct sensitization on HIV Prevention, behavioral change, care, management and regulatory framework at workplace<br>2. Availing condoms to staff and sensitization on correct and consistent use<br>3. HIV awareness and HIV prevention media campaigns             |
| Budget Allocation (Billion): | 0.500                                                                                                                                                                                                                                                                    |
| Performance Indicators:      | 1. Amount spent on staff medical Insurance in respect of HIV/AIDS prevention & treatment<br>2. Programs implemented in respect of staff sensitizations and stakeholder engagements<br>3. Existence of workplace HIV/AIDS committee<br>4. National Activities engaged in. |
| Actual Expenditure By End Q4 | 0.5                                                                                                                                                                                                                                                                      |
| Performance as of End of Q4  | 1. Conducted sensitization on HIV prevention, behavioral change, care, at the workplace.                                                                                                                                                                                 |
| Reasons for Variations       | No Variation                                                                                                                                                                                                                                                             |

iii) Environment

|                        |                                                                                                                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Objective:             | To provide a safe and conducive working environment                                                                                                                                                                             |
| Issue of Concern:      | Increased disease burden and subsequent demand for EMHS from NMS due to pollution and other environmental factors                                                                                                               |
| Planned Interventions: | 1. Deployment of casual labor for collection of waste and garbage around the corporation<br>2. Safe disposal of all garbage from the stores<br>3. Safe retrieval and incineration of non-viable medicines and medical supplies. |

VOTE: 116 Uganda National Medical Stores

Quarter 4

|                              |                                                                                                                                                     |
